LICENSE PLATE ORDER FORM

RCW 20.01.120 Vehicle License Plates – ***“The licensee shall prominently display license plates issued by the director on the front and back of any vehicle used by the licensee to transport upon public highways unprocessed agricultural products...”***

You may need to order plates for your vehicles. There should be a plate on the front of every tractor/truck and on the back of every trailer. The plate numbers do not need to match each other when placed on the vehicles. Tabs for the current license year must be displayed and can be purchased each year at renewal. There are two plates in each set. Each set comes with tabs needed for that year.
